

# Fear & Loathing in DC:

## Change and Continuity in US Relations with the International Criminal Court

*with*

**MARK KERSTEN**

*Wayamo Foundation, Deputy  
Director*

*Munk School of Global Affairs,  
University of Toronto*

The International Criminal Court (ICC), according to the Trump administration, is “dead to us”. This remarkable change in tone from the Obama administration feels like a throw-back to the early days of the Bush Presidency. Despite polarized rhetoric, there is both change *and* continuity in Washington’s policies towards the ICC. Dr. Mark Kersten’s lecture will focus on the implications of this change and continuity on the legitimacy of the Court.
